

SC Series

SC103 / SC403 / SC503

RFID Standalone Access Control Terminal

SC Series is an access control product line produced by ZKTeco, which is made with elegant design and professional surface treatment. The device has lock control, alarm, exit button and door sensor. The wiegand-in interface is used to connect external reader to construct master and slave system. Also, the device can be used to connect with a control panel as a

reader by wiegand-out interface. The operation can be done on the device through LCD display, also can be done on PC software and uploaded to the device through TCP/IP, RS232/RS485 communication. The USB-host is used for uploading and downloading data, including user template and records. SC Series are suitable for house, small office and factory etc.
